Q Self 215

The perfect terminal for self-ordering and payment

Elegant design and a wide range of accessories for an amazing experience.
Fast, easy and intuitive.

IQ Self 215 is the first self-ordering terminal with native integration of:

- **communication with the checkout point and updating of articles in real time**
- **integrated payment terminal**
- **contactless electronic payment with credit cards and Smartphones**
- **fiscal and digital receipt issuing**

SIMPLIFIED INTERACTIONS AT YOUR POINT OF SALE

Amplify your customers' experience with the intuitive all-in-one order placement and payment system. IQ Self 215 allows you to be flexible and fast in taking self-service orders; you can increase and simplify interaction with your customers and make them part of the shopping experience.

COMPACT DESIGN AND ATTRACTIVE LINES

Whatever the context, IQ Self adapts perfectly to your environment and adds a touch of style. Thanks to its compact size and simple, bold lines, IQ Self fits in perfectly with the style of your point of sale, whether it is a gelato shop or a fast food. Available in a neutral shade or in white, it is a discreet and elegant element for any location.

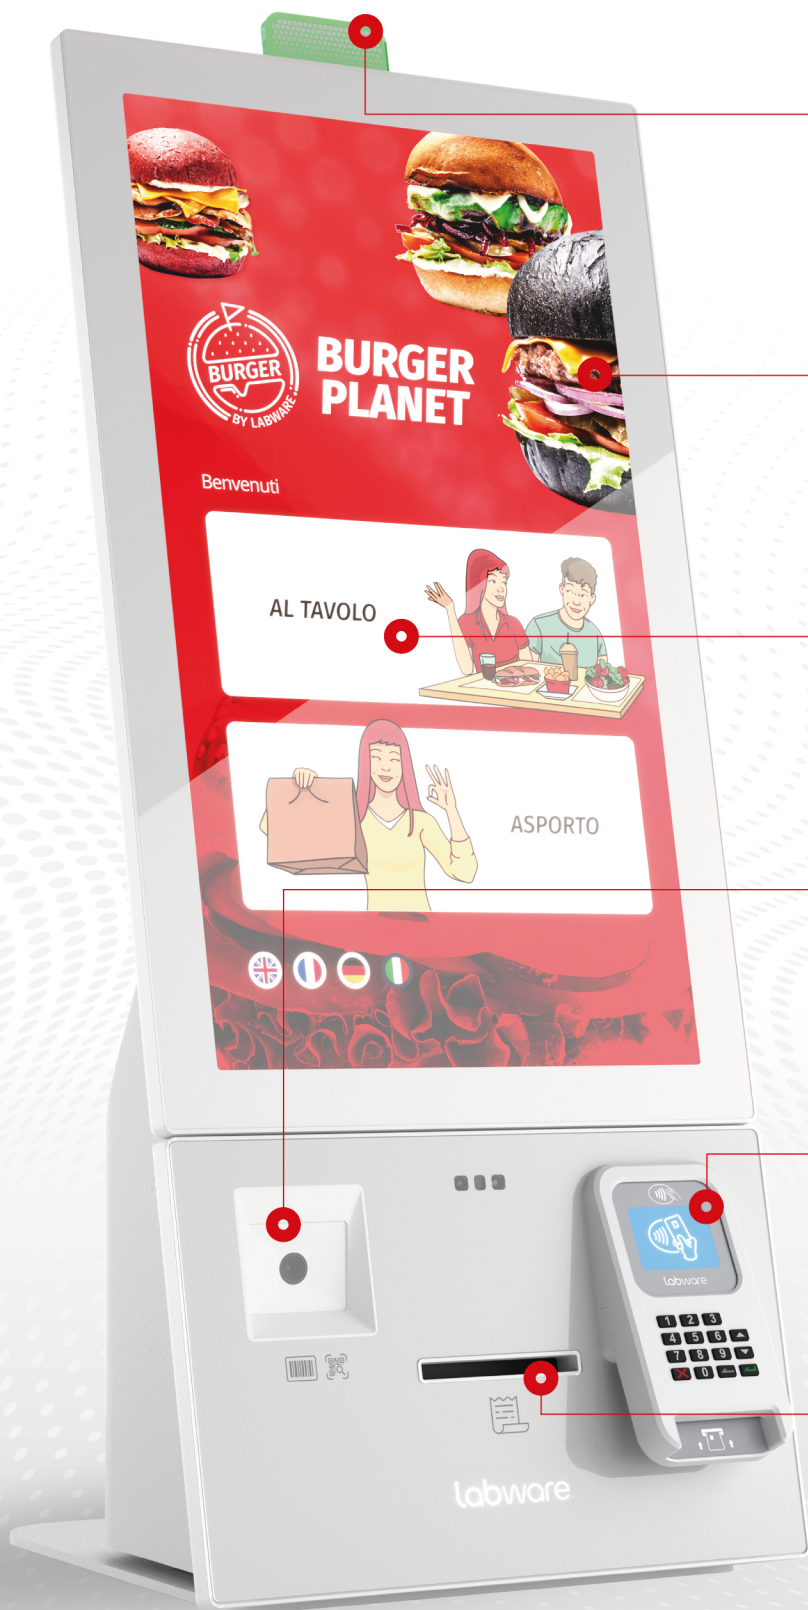

SIMPLIFIED MANAGEMENT AND MAXIMUM INTEGRATION WITH ALL LABWARE PRODUCTS

The management of IQ Self via Cloud Office allows you to have timely reporting on the sales channel and to check its operation whenever you want. From Cloud Office and from the checkout point, you can add photos of your products and dishes, or customise and enter your menus and special offers to be displayed on IQ Self 215.

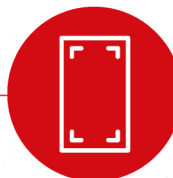

Maximum freedom and many colour combinations to suit your business and guarantee your customers the best shopping experience.

PERFECT INSTALLATION FOR YOUR EVERY NEED

IQ Self can be installed in different ways, to make the most of the space available at your premises. We know that every business has its own needs and IQ Self is ready to meet them all. IQ Self can be installed in 3 ways: Wall-mounted, Self-standing, and Placed on a supporting surface.
